Hi Cris, [sic]

Thank you for sending me the link for WATAG questionnaire.
I do not wish to publish my answers to the questionnaire, because I want to focus on my campaign without making any public statements. My website is: [web address given] Please refer to it for my platform.

Many thanks.

Hello Chris

Thank you for your email. I have decided and been advised not to respond to any surveys as they may, if successful may compromise any position I have. So instead I will give you some background.

[some background information provided]

If you would like to discuss further im very happy to do this via [phone no given]

Cheers
Peter Chandler
